BUSINESS SUMMARY:

Data Dynamics has dedicated and experienced technology professionals. Collectively, we have over 90 years of technology experience. Saeed Akbani, founder of Data Dynamics, has 28 years of industry experience working for IBM, PwC, and EDS. Data Dynamics technology agnostic and vendor neutral approach benefits clients directly by aligning technology with the business need. Data Dynamics has been in business for 7 years, and has successful past performance with clients such as, but not limited to, Hussmann Corporation, TKC Holdings, and Washington University in St. Louis. Data Dynamics is a State of Missouri certified Minority Woman-owned Business and an SBA 8(a) firm.
