where it's eBusiness as usual!

We Specialize in IT Services

IT infrastructure is the backbone of every business. However, opportunity cost associated with the business owner chasing IT related issues can be huge for the firm!

We Have Two Flexible Plans To Serve You Best!

Use our services on an as needed basis

We charge very competitive rates to our clients. We bill either on a time and material (hourly) basis, or an agreed upon fixed price, keeping in mind what the client feels comfortable with as the most cost effective way to successfully complete the work.

Buy Managed Services Contract

We specialize in outsourcing for small and medium sized businesses. We offer affordable plans to purchase the number of hours per month of IT support that their businesses need. From just 2 to 160 hours per month, we have a plan that will work for you!
